

Mission statement Stephan M

1. In service of our society
With our creativity and passion we strive for enrichment of our society. Thereby we take our responsibility by delivering products and services of high quality at reasonable prices.
2. In balance with laws of nature.
We live following the laws of nature, with respect for the natural environment. Our ideas and behavior fit in the ever changing circumstances in order to make progress in our efforts.
3. Justice, integrity and respect
We will be just, integer and respectful in our business transactions and in our individual social intercourses, from an evenly perspective, without preconceived opinions.
4. In service of our clients
We are grateful for our clients and therefore we strive for the best possible service and to fulfill in their expectations.
5. Teamwork for the common purpose
We will combine our qualities and strengths to realize our collective objectives, in mutual trust and acknowledgement of individual autonomy.
6. Tireless effort for improvement
We will in all cases strive to improve our company and personal achievements in order to fulfill any assignment as best as we can.
7. Politeness and humility
We will be polite and modest, and respectful regarding the rights and needs of others, to help enrich our environment, in which we believe.
